hand crafted

**PREMIUM
QUALITY**
ceramic solutions

Company Profile

Our Partner in Interior Designers & Architects Success

Our Service

- Unique Custom Designs
- Timely Delivery
- Perfect Finish
- The designer basins we manufacture are 1184c temperature products which make them more durable and higher quality than other chemical wash basins

Why Choose Us

- Premium Quality
- Scratch Proof
- Acid Proof
- The designer basins we manufacture are 1184c temperature products which make them more durable and higher quality than other chemical wash basins
- Modern Aesthetics
- Regular Design Any Time Stock Available

About Us

Established in 2017, Stunning Sanitary Wares has rapidly emerged as one of India's leading names in premium sanitary solutions. Today, we proudly stand as the second-largest designer washbasin specialization unit in the country, driven by a passion for excellence and design innovation.

Our journey began with a simple vision — to create exceptional, design-forward washbasins that elevate everyday spaces. With a perfect blend of aesthetics, durability, and functionality, our products are crafted to suit modern lifestyles and diverse interior styles.

Each piece from Stunning Sanitary Wares is a reflection of meticulous craftsmanship, cutting-edge technology, and a deep understanding of global trends. Whether for residential or commercial projects, our washbasins have become the preferred choice for leading architects, interior designers, and discerning clients across India.

We are committed to pushing the boundaries of design and quality, offering sanitary ware that isn't just functional — but stunning.
